

OREGON TUALATIN VALLEY AMATEUR RADIO CLUB

An ARRL Special Service Club

June 1991

Next Meeting June 12, 1991

Presidents Corner

By Ray Deeth, K7VDQ

Everyone who assisted in the State Games of Oregon last year experienced an eventful time with Amateur Athletes of all ages as well as handicap athletes.

On July 13, 14, 1991, Amateur Radio Service will be assisting in this event. Over 14,000 participants will be competing in many different sport events.

After last years HAM involvement, several of the sport directors stated that they have their HAM license.

Hopefully with this early notice, you can arrange to join the Amateur Radio Public Service team in July.

Amateur Radio's in-volvement is only health & welfare and all event results will be transmitted via a data link on Cellular Telephone. Your expertise in packet radio can be used in the data link network.

More info at the June Club meeting. You may also give me a call (324-4502) to answer any questions you may have regarding this matter.

OTVARC Starts VE Testing

By Alan Roehl, KO7B

OTVARC has decided to test the waters regarding volunteer examinations.

As a first step, we will be offering ham exams during our field day exercises. This will be an official examination session and walk-ins are welcome. The date is Saturday, June 22. time is 4:00 P.M.

The location is Banks High School, right next to the OTVARC field day setup.

In order to be admitted to the exams, you must have the following items with you:

- 1) A check in the amount of \$5.25, payable to ARRL - VEC
- 2) Photo I.D. (drivers license, Passport, etc)
- 3) A photocopy of your current amateur radio license (if any)
- 4) Successful completion certificates which apply

If you have any questions, contact Ray Deeth, K7VDQ, (324-4502) or Alan Roehl, KO7B (292-5243).

The club trailer will be on display

OTVARC FIELD DAY PROGRAM FOR 1991

By Ray Deeth, K7VDQ

PLACE: BANKS HIGH SCHOOL -- BANKS, OREGON

Directions will be made available at June meeting.

FIELD DAY CALL SIGN:

Thanks to AA7HV, Bill Walker, who gave his approval for this years call sign.

FIELD DAY COORDINATOR:

I know we have one good ELMER, but he will be doing his own. However, we have other members who are good ELMER'S. Please come forth!!!! This person needs to coordinate with Dee (KA7NPN) the equipment for field day - Batteries, antennas, radios, etc.

VE TESTING AVAILABLE

For those who want to try for novice or no-code technician, or if you want to upgrade, VE testing will be available at this years event.

FIELD DAY FOOD CONNECTION:

I have these suggestions:

Friday: Pizza - Local Pizza parlor

Saturday: Beef stew or spaghetti feed at the residence of K7VDQ across from the High School

Sunday: Maxines cafe opens 6:00 A.M., located 1 block from High School

If a better idea can be suggested, please give me a call - 324-4502.

Authority has been granted to park your camper in the back parking lot of the school for those who wish to be close to the activities. I will secure a room for conducting a seminar for anyone who needs help with any phase of Amateur Radio. We need to assist the many new novices and technicians - A club objective as mandated in the constitution.

VOLUNTEERS: TEAM "A"

In charge of OTVARC trailer set-up, operating and dismantling. Operating as "Operator's Choice" (1A)

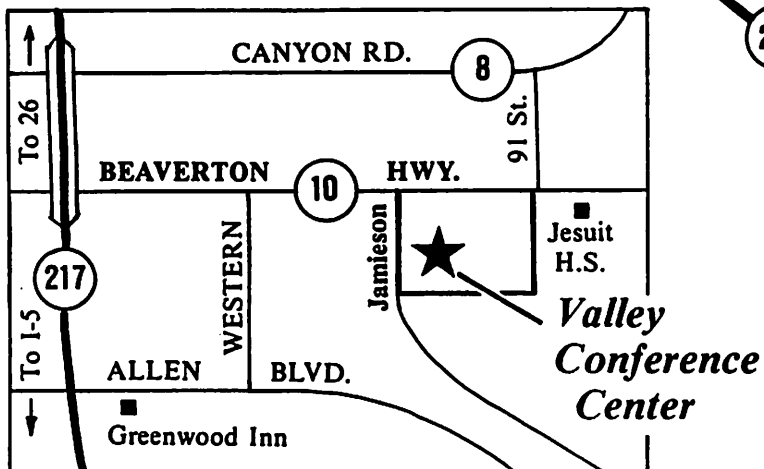

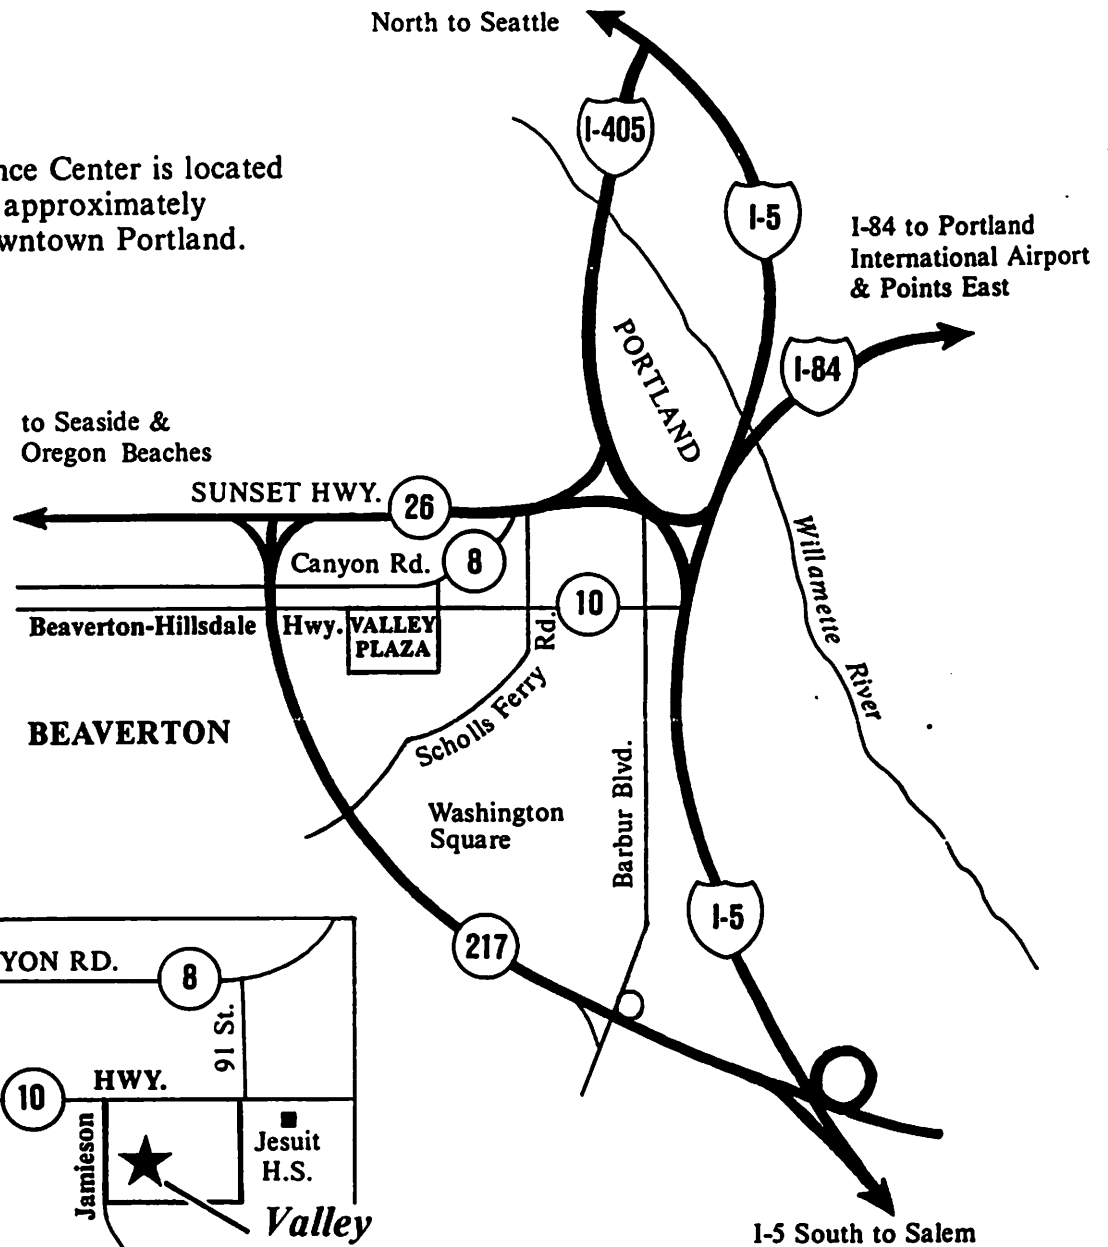

VOLUNTEERS: TEAM "B"

In charge of the Novice station. Supervise the set-up, operation and dismantling.

Your expertise as a dedicated amateur is needed to assist in promoting good will in the community - not just another C.B. society doing their thing. We are professionals!

Location

The Valley Conference Center is located in the Valley Plaza, approximately 10 minutes from downtown Portland.
